SUBJECT: CHANGE IN SPECIAL GAIN/JOBS SURVEY - FSA 103 FOR FFY 1992

REFERENCE:

The State Department of Social Services has just been informed by the Federal Administration for Children and Families (ACF) that the numerator surveys for the GAIN/JOBS FSA 103 (Participation-Rate Report) for May and September 1992 which capture the GAIN population of satisfactory participants will be replaced by the GAIN 61/FSA 108 monthly surveys. Therefore, counties are no longer required to prepare and submit a universe list of FSA 103 GAIN participants for May and September 1992. Please cease all effort in preparing the numerator survey as prescribed in the ACL 92-43, dated April 28, 1992.

The denominator surveys for May and September 1992 which capture the AFDC population of mandatory recipients will still be implemented in the same manner as the FFY 1991 survey. The denominator survey documents and instructions will be mailed to counties by late June 1992.

If you have any questions regarding this letter, please contact Ms. Nguyet Nguyen at (916) 445-1450.

Thank you for your cooperation.
